

## **SOUNZ Community Commission 2019**

**The SOUNZ Community Commission is made available through the generosity of a donor and is administered by SOUNZ Centre for New Zealand Music.**

The SOUNZ Community Commission brings together New Zealand professional composers and community groups to create and perform a new work. It was established in 1999 and has resulted in works for diverse groups such as a community group for young people with learning disabilities, community choirs, experimental sound artists, youth orchestras and children's theatre.

The commission consists of a grant of \$2,000, which is awarded to a professional composer to enable them to engage with a community group he/she has not worked with before. The aim is to support a collaborative process between the composer and a community group, and to create a series of resources based on the experiences of the two parties involved. A further \$800 is available for the successful group to hold a public performance or concert for the resulting work.

### **Call for Submissions**

We welcome submissions from New Zealand composers working with diverse community and cultural groups such as choir, orchestra, chamber, kapa haka (youth, schools, church, kaumātua, community), and other groups. Proposals for projects from composers should be **emailed to [info@sounz.org.nz](mailto:info@sounz.org.nz) by 5pm Monday 1 July 2019**. All applications are forwarded to the donor, who chooses which project will receive the grant. Preference will be given to composers who are not in full-time employment or studying. The selected project will be announced at the end of July 2019.

### **Guidelines**

The attached form must be accompanied with your application, which should include:

- a biography and CV of the composer
- a description of the community group
- a description of the project including at least one planned performance or concert
- outline of how the composer will work with the community group

Once the recipient is selected, a performance should be planned and scheduled to take place by 31 May 2020. A score and/or recording of the work will be lodged with SOUNZ, and SOUNZ licence or publishing arranged so that it can be performed by similar groups in the future.
