

SOUNZ and Westlake Community Project 2020

A collaboration between Westlake Symphony Orchestra and SOUNZ Centre for New Zealand Music

The Westlake Symphony Orchestra is an accomplished school orchestra conducted by David Squire. **The aim of this project is to encourage New Zealand composers at all career stages to have high quality works available for non-professional orchestras. By making these works available through SOUNZ Online orchestras will be able to watch and listen to repertoire they can programme and perform.** The selected works will be recorded and filmed in October 2020 by SOUNZ.
