

SOUNZ Jazz Recording Project | Ngā Hopuranga Puoro Tautito a SOUNZ

The SOUNZ Jazz Recording Project aims to create high quality recordings (audio and video) of original jazz compositions by New Zealand jazz composers. The recordings will be made between **9am and 5pm on Tuesday 1 December**, at the Massey Recording Studio, Massey University, Wellington. Following the final editing process, the recordings will be made available for streaming on the SOUNZ website, and embedding on the composer's website.

The project consists of a grant of \$2,000, which is awarded to a professional jazz ensemble to perform and record in Wellington a set of 30 minutes of original jazz compositions, which have not been recorded professionally before.

Call for Proposals

We welcome proposals from New Zealand jazz composers and ensembles. Proposals for the Jazz Recording Project should be **emailed to info@sounz.org.nz by 5pm Monday 26 October 2020**. The selected project will be announced at the beginning of November 2020. **Given the uncertainty due to Covid-19 and the unpredictability of travel, preference may need to be given this year to composers and ensembles which are Wellington based.**

Guidelines

The attached recording agreement must be accompanied with your application, which should include:

- **a biography and CV of the composer(s)**
- **recorded examples of composer's work**
- **a list of works intended to be recorded**
- **scores/charts and previous non-commercial recordings of listed works (if available)**
- **a description of the ensemble (members, instruments and ensemble name – where appropriate)**
